Garden Crest Hospital  
909 Lucile Avenue  
Los Angeles, California 90026

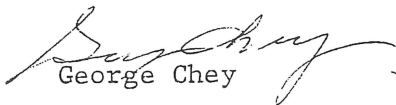

Dear Staff and employees:

Your convalescent hospital was recommended by Good Samaritan Hospital for my wife, Elizabeth.

Your hospital has a wonderful staff of nurses and employees. They were all very kind, dedicated and cooperative. Elizabeth is now home and doing well. She is eating well, walking and exercising daily.

I would like to express my sincere appreciation to your organization, and will certainly recommend others to your hospital.

Sincerely,

  
George Chey
