Dear Smadar Gae,

I just wanted you to know that there are no words to describe the "gratitude" I feel. I want to give you recognition for your endless hours of hard work helping me; to get my needed medication, endless hours of phone conversations with doctors, always giving me time to talk while you listened, accepting me into this facility, putting up with my tantrums, helping me put my fragmented life back together and most of all I am grateful for you having such a big heart and being so generous with me. I appreciate it. I sincerely apologize for any grief that I might have caused you. Thank you for your patience and understanding and extreme kindness.

Sincerely  
Katherine Thowleath
