

Garden Crest Staff —

Words cannot begin to express how grateful I am for the loving care that you gave to my mother for the last two years of her life.

Many kind, loving and patient CNAs cared for her. Sharon and the kitchen staff fed her some great food. Jackie, John and the Activities staff kept her entertained and happy. A special thank you to the nurses (Tali, Daniel and all the rest) who patiently answered my questions and gave my mother such loving care.

A million Thanks To you!

With love and
big appreciation,
